

## Recycling Dumpster at Township Building

Residents who wish to recycle may now deposit their recyclable items in the dumpster located in the upper level of the municipal building parking lot. Please do not place plastic bags in the dumpster. Instead, try transporting items in paper shopping bags which can be recycled.

Republic Services has agreed to place this dumpster on a trial basis to determine the interest and viability of a community-wide recycling program. Because of our small population, state law precludes the Township from having a curb-side recycling program. Any program would be implemented at the discretion of the Board of Commissioners.

### **Accepted items:**

**Flattened cardboard and paperboard**

**Magazines, newspapers, office paper**

**Phone books & junk mail**

**Clean steel, aluminum, glass bottles & cans**

**Clean aluminum foil, tins, & pie plates**

**Clean plastic bottles & jugs #1-7**

### **Unacceptable items:**

**Plastic bags**

**Containers with food residue**

**Household garbage**

**Electronic waste (e-waste)**

Please be advised that the dumpster area and parking lot are under video surveillance.
